Join us at La Hermosa Church on Sunday, April 17th at 11am for a special service and ceremony as honorees of the 65th Infantry's Congressional Gold Medal will be in attendance. There are also members of the East Harlem community who served with the [Borinqueneers](#), who could not make the Washington DC ceremony, but will be with us at La Hermosa.

On Wednesday, April 13th, a Ceremony took place to award the US Army's 65th Infantry, known as the Borinqueneers, with the Congressional Gold Medal in Washington DC.

The contributions of the brave Puerto Rican soldiers, who have fought in both World Wars and the Korean War, are noble legacies. We wish to celebrate their impact and connections to the Puerto Rican community of East Harlem. A special acknowledgement will be made for 65th Infantry officers Roberto Vazquez and Fernando Flores, an East Harlem resident.
